INTERNSHIP LETTER

This is to certify that **Prashant Sharma** has successfully completed his 'Android Development Internship' with us. He worked with us from **May 01, 2020** to **June 01, 2020**.

During the course, he has demonstrated strong work ethics, discipline, and ability to cope up with the pressure that comes along the job. His responsibilities were:

1. Discuss and strategize product development with the design team.
2. Android development using Node.js & React native.
3. Deploy & maintain the codebase of existing projects using firebase.

Overall, he understands the need to be constantly updated with Android technology. He is versatile, creative and from my personal experience a purpose-driven person as well.

I would strongly recommend Prashant as your next hire in the android-development team and would be more than happy to answer any questions you may have or provide you with more information.

We wish him all the best.

Sincere Regards

Hercules Singh Munda
Head – Talent & Communication
Alfred Technologies (OPC) Pvt. Ltd
